Non-Residential Deposits

Delinquent nonresidential accounts without a continuing letter of guaranty from financial institution are required to pay a deposit equal to 25% of the delinquent bill. On 3rd consecutive delinquency, a deposit equal to 1/6th of the estimated annual billing will be assessed.

Residential Deposits

For residential consumers a deposit equal to 1/6th of the estimated annual billing is required if the account becomes delinquent three or more times in one year. After that year, the deposit may be refunded and applied to the next month's bill provided the account has not been delinquent in that year. If a service is disconnected, the deposit is applied to the final bill if all requirements have been met.

Our office will be closed Monday, September 5th in observance of the Labor Day holiday.
Call our after hours number at 75-356-4492 if you have an outage or emergency.
